REFERENCE: PROPOSAL SUBMITTAL LETTER; ORWIG TO HEIMAN DATED JULY 22, 1992

Dear Mr. Heiman:

HALLIBURTON NUS (HNUS) is pleased to submit the attached SF1412 - CLAIM FOR EXEMPTION FROM SUBMISSION OF CERTIFIED COST OR PRICING DATA as required to support the pricing of the referenced proposal.

On Friday, July 31, 1992, I reviewed the catalog pricing documentation at the HNUS Pittsburgh, PA Laboratory used to support the SF1412. In addition, I reviewed and discussed the pricing methodology with the parties responsible for developing proposals. My review disclosed that the pricing of the work for Rocky Flats is consistent with the pricing developed for work performed for other commercial and government entities.

I obtained copies of the catalog and pricing information used in developing the proposal to support the SF1412. This information is in my office and available for your review.

If you have any questions, please contact the undersigned.

Sincerely,

HALLIBURTON NUS ENVIRONMENTAL
CORPORATION
